Additional Information

- 1). All above rates are hourly, Portal-to-Portal. Prices include operator, oiler if required, fuel, insurance, maintenance, and standard rigging. Prices are based on standard hours of operation (Monday-Friday 7am to 3:30pm). All Federal, State, Local taxes & licenses are extra.
- 2). A two (2) hour minimum will apply Monday thru Friday. A four (4) hour minimum will apply Saturday, Sunday & Holidays.
- 3). Over time - \$20.00 per hour per man, is charged on hours worked outside of standard hours of operation & Saturdays.
- 4). Double time - \$40.00 per hour per man, is charged on hours worked on Holidays or Sundays
- 5). Operator / oiler subsistence and travel allowance will be charged where applicable. Travel time rates are \$45.00 per hour per man, plus applicable overtime.
- 6). The above hourly crane rates are based on a short term duration. Long term crane rates are available.
- 7). 24 Hour Emergency Service available out of Denver, Colorado Springs, and Pueblo. Contact Matt Blomstrom at (303) 548-7682, Cody Gilliland at (303) 478-5154 or Sam Lowry at (719) 538-8914.
- 8). Pilot cars, traffic control plans, and permits are available upon request at an extra charge.
- 9). Additional truck(s) may be required to relocate crane once on jobsite, or to haul extra jib or counterweights to and from jobsite at an extra charge.
- 10). Precast concrete services (erection and demolition) are available on request. We have over 29 years experience with Tilt-Up Concrete, Pre-Cast Concrete, and Bridge Girder erection.
