### CONTENT UPGRADE

Today, we launch our new and improved websites for RMS Cranes and partner companies, RMS Rigging, and J&S Mobile Inc. Our company has grown substantially since the beginning of the year and we felt it appropriate to update our online presence. We would like to invite you to check out our new sites which have been upgraded with helpful tools such as crane specifications, crane charts, new project photos, new HD project videos, and more contacts, making it easier for you to reach a representative at all times. With the launch of our new websites, we hope that you can gain a better knowledge of our company and the services we have to offer. If you wish to know more about RMS, please do not hesitate to call today!

### NEW PARTNER SITES TOO!

**POTAIN MR 605 B**  
**+ MARCH 2017**

The Potain MR are designed to get you setup and working faster while still providing the capacity and compact footprint that our cranes are known for. The uniquely mounted luffing mechanism and hoist ensures there is plenty of room for operation, even in the tightest of jobsites.

**LINK-BELT HTC-86110**  
**+ MARCH 2017**

With three on-board attachments rolled into one, new efficient fly pinning design focused on ease of assembly/disassembly, unmatched transport flexibility & jobsite travel, 20 degree tilting operator's cab, upper & carrier cameras, this new addition to the fleet is sure to be a handy tool for our Clients.

**LIEBHERR LTM 1500 8.1**  
**ARRIVING THIS MONTH!**

Prior to this unit's first project, the LTM 1500 is already a favorite for crane work in the city's infrastructure. This 600 Ton crane has (2) booms, one of which is 276', which makes it an efficient option for work requiring great heights and limited rig-up space.

## AWARDS AT CONEXPO **MOST GROWTH IN 2016**

Whitey Lebsack (Tower Crane Sales) and Kyle Smith (Tower Crane Manager) receive an award, on behalf of the company, for "Most Growth in 2016" from ManitoWoc Cranes.

In the picture to the left, sits our new Potain 559. RMS Cranes' tower crane fleet has now grown to 35 units ranging from 2 tons to 35 tons in capacity.

What a long way we've come from 1977.....We have well over 2 dozen employees that have stayed with us for 10 years or more. We would like to recognize those employees and sincerely thank them for their dedication, hard work, and loyalty over the years.

## EMPLOYEE SPOTLIGHT

Congratulations to Joe Martinez on his recent retirement from the company. Joe was a reliable operator with RMS Cranes for the past 13 years, serving as a monumental contributor to multiple branches throughout Colorado. His versatility between Truck, RT, & Crawler cranes was a great asset to our team. We wish you well on your future endeavors!
